WHO ARE THE AGS?

The Association of Geotechnical and Geoenvironmental Specialists (AGS) is a non-profit making trade association established to improve the profile and quality of geotechnical and geoenvironmental engineering. The membership comprises of UK organisations and individuals having a common interest in the business of site investigation, geotechnics, geoenvironmental engineering, engineering geology, geochemistry, hydrogeology, and other related disciplines.

WHAT IS THE AGS MAGAZINE?

AGS Magazine is the new magazine for the Association of Geotechnical and Geoenvironmental Specialists. Launching in November 2017, the magazine focuses on geotechnics, engineering geology and geoenvironmental engineering as well as the work and achievements of the AGS.

This new publication will look at a range of topical issues, insights and concerns, whilst publishing new guidance notes, working group activities and provide information on upcoming conferences and industry seminars.

Our audience demographic features geotechnical and geoenvironmental sectors and beyond. Subscribers include industry professionals including practitioner, chartered specialists, senior decision makers and managing directors.

ADVERTISING AND RATES

An online advertising campaign within the AGS Magazine will help to build and increase industry awareness of your company's profile, initiatives and offerings.

The AGS can help build a package to suit your needs and budget; whether it's a series of adverts across multiple issues, a combination of event sponsorship and advertising, or several advertorials.

Repeat advertising rates are negotiable. For further information, please speak to Caroline Kratz on **0208 658 8212** or email **ags@ags.org.uk**
